**RECRUITMENT BULLETIN # 22-23-31  
AUGUST 2022**

**CTE TEACHER-INFORMATION TECHNOLOGY  
POUGHKEEPSIE HIGH SCHOOL**

**NOTICE OF POSITION**

**POSITION:**

The Superintendent of Schools, Dr. Eric Jay Rosser, is interested in receiving applications from qualified candidates for the position:

**CTE TEACHER-INFORMATIONAL TECHNOLOGY  
POUGHKEEPSIE HIGH SCHOOL**

**APPLICATION:**

Candidates must complete an application available to print through the Human Resources Tab at [www.poughkeepsieschools.org](http://www.poughkeepsieschools.org)

**MINIMUM QUALIFICATIONS:**

- CTE Information Technology 7-12 Certification OR Transitional A Certification for Information Technology
- Background in technology, business, finance, or math.

**DUTIES:**

The Poughkeepsie City School District (PCSD) is committed to providing students and parents with pathways to opportunity that will lead to achievement and success. Through student-centered effective and transformational leadership, school and community engagement, and an unrelenting pursuit to achieve greater school outcomes for children, the Poughkeepsie City Schools is focused on developing and growing greater access, equity, opportunity, and quality across PCSD.

**JOB DESCRIPTION**

**Technology/CTE Teacher Role:**

This position reports to the building principal and the Executive Director of Students with Exceptionalities. The position will address fulfilling part of the requirements for students earning high school credit in the CDOS pathway. The emphasis will be providing instructions to students with disabilities in the high school. The teacher is expected to develop in each student an understanding of the technology industry and its place in the nation's economy. The teacher will plan and deliver lessons with the materials provided, grade assignments and complete additional required duties assigned by principals. This position requires a high degree of enthusiasm, organization, and creativity.

**Technology/CTE Teacher Expectations:**

- Provide students with knowledge needed for intelligent consumption of services;
- Assist students in developing practical skills for personal use or for use in occupations;
- Encourage students to develop work and personal habits essential for success in business;
- Provide knowledge about technology trends and Innovation.
- Experience with computer technology
- Technology Education
- Prepare industry standards based student assessments
- Apply academic concepts to real world situations
- Provide work based learning opportunities
- Collaborate with the committee on students with exceptionalities
- Monitor student progress and data

**Technology Teacher Qualities:**

- Ability to build relationships with students;
- Ability to engage students in discussing real-world technology based experiences;
- Ability to get students excited about careers in the technology field.

**APPOINTMENT:**

Appointment will be made by the Board of Education upon the recommendation of the Superintendent following assessment of training, experience, certifications, credentials and evaluation of service. Personal interviews shall be conducted where appropriate.

**SALARY:** In accordance with the PPSTA contract.

**FINAL DATE  
FOR FILING:**

Open Until Filled
