EDUCATE. INNOVATE. ADVOCATE.

Parent Member Training

2023 Schedule - via Zoom!

January 17, April 20 & 27, July 12, October 10

We offer our 4-hour Virtual Parent Member Training four times per year, via Zoom. Participants will learn about the entire Committee for Special Education (CSE) process, and those eligible can join committee meetings as a volunteer Parent Member. This is wonderful opportunity to build community in your district, support other parents, and learn more about the CSE process to support your own child!

While this training is open to anyone who would like to learn more about special education, parents or guardians whose child has or had an IEP in the last 5 years, will receive a certificate for submission to their school district to serve as a Parent Member at CPSE/CSE meetings.

Note: This is a four-hour training in two parts, 9-11 am and 12-2 pm with a one-hour break for lunch. (April sessions are 4-6 pm over 2 dates.). Four hours must be completed to receive certification.

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley's resource for individuals with disabilities, their families, and the professionals supporting them. The CSN operates Family and Community Engagement (FACE) Centers for the NYSED OSE Partnership. Our experts are knowledgeable about all of the disability systems serving individuals with disabilities across the lifespan and are available to help YOU. We provide resources, training, direct services, and support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
