Poughkeepsie City School District ***Extended Learning Time Program Mission Statement***

The mission of the Poughkeepsie City School District Extended Learning Time grant programs is to establish learning environments that provide our scholars with academic enrichment opportunities along with athletics, arts, and cultural activities designed to complement the scholars' regular school day programs.

The high-quality, extended school day programs offered by our community partners in collaboration with our dedicated Poughkeepsie City School District staff supports our Mission Literacy initiative and, of equal importance, celebrates and acknowledges the Poughkeepsie City School District's commitment to deliver on the promise of a high-quality, world-class education for every scholar, every day, in every classroom.
