

# Poughkeepsie City School District

Delivering on the promise of a high-quality education

*Every scholar. Every day. Every classroom.*

MY BROTHER'S KEEPER

## Poughkeepsie My Brother's Keeper STEM and Sports Camp 2018

Dear Scholars and Parents,

The Poughkeepsie City School District in partnership with the Dutchess County Regional Chamber of Commerce and the City of Poughkeepsie sponsor the My Brother's Keeper initiative at Poughkeepsie High School. The young men in this program are mentored by adult community mentors and are provided with internship and leadership opportunities. The MBK Summer STEM and Sports Camp is a prime example of the program in action.

The camp will be held at Poughkeepsie Middle "Model" School, where a team of highly qualified educators and scholars will provide daily science, math and technology instruction along with sports and games activities. There will also be specific instruction in the area of Restorative Practices, which helps strengthen relationships between individuals as well as social connections within communities. The targeted audience is our scholars entering into Grades 3 through 8. The group sizes will be small to allow for high quality instruction and individual attention.

**Program Dates:**                      **Monday, July 9<sup>th</sup> through Thursday, August 9<sup>th</sup>**  
**Monday through Thursday**  
**Sign-In and Breakfast: 8:30 a.m.**  
**Dismissal: 2:30 p.m.**

Please understand that enrollment is on a first come first serve basis, until the program is filled. Completion of this application does not guarantee enrollment in the program. Applications that are received after the program has been filled, will be held in case of any openings. Please return this registration letter along with the attached *My Brother's Keeper Challenge Grant - Poughkeepsie STEM and Sports Camp Student Enrollment, Participation, & Data Collection Form - Summer 2018* by Wednesday, June 20, 2018 to your building principal.

Sincerely,

Jack Mager  
My Brother's Keeper Project Coordinator  
Extended Learning Time Program Coordinator
