

Poughkeepsie City School District

Student Media Opt Out Form 2022-23

Throughout the school year the Poughkeepsie City School District likes to highlight the good work of our students.

This may involve interviewing students, showcasing their art, literary works, theatrical or sports performances and/or taking photos of them engaged in a particular school, sport or club activity.

The Poughkeepsie City School District may use this in district publications such as the Superintendent's Brief, district or school webpage(s) and in news releases sent to local media for potential coverage.

If you prefer NOT to have your child included in this type of coverage as well as exempted from Directory Information as indicated in the Family Educational Rights and School Privacy Act (FERPA), please fill out the form below and return it to your child's school. Otherwise, Poughkeepsie City School District will assume permission has been given to publish your child's photo, video, name and comments. Forms are effective for one school year and must be signed and returned each year to continue the exemption.
