

The PMS team is excited to announce two new programs for our students and families.

We have partnered with Vassar College to provide our students with after school tutoring. It is open to all middle school students at no cost. If your child would like to participate, please fill out the Google form linked [HERE](#). If you need additional information, please contact Mrs. Mitchell, smitchel@poughkeepsieschools.org.

The poster is a collage of orange and yellow squares. At the top left, there are four colorful icons: an orange plus sign, a pink minus sign, a blue multiplication sign, and a green division sign. To the right of these icons, the text "VASSAR AFTER SCHOOL TUTORING" is written in large, bold, black letters. Below this, on the left, is a quote: "VAST HAS HELPED ON MY GRADES, WORK AND PERSONAL GOALS." followed by "FILL OUT AN APPLICATION [HERE](#)". In the center is a photo of three students holding up their work. To the right of the photo, it says "TUESDAYS & THURSDAYS 3-4PM". At the bottom left, it lists "Virtual mentoring, tutoring, study hall, and academically enriching activities". At the bottom right is an icon of a stack of books. At the very bottom, in small text, it says "FOR MORE INFORMATION, CONTACT SARAH AT SERIVERS@YASSAR.EDU".

The second program is our Mentoring Program offered through our Emotional Support Team. This is a voluntary program where students can participate in group and one on one meetings to assist them in becoming a well rounded student. The program focuses on how our decisions determine our outcomes and provides students with the strategies needed to navigate the many life choices they will make. All PMS students should have received an email invitation to the Google Classroom.
