Athletic and Wellness Newsletter

Issue 3

2024/2025 Edition

With the Spring season up and running, come and support our Pioneer Athletes! The sports taking place are Boys Tennis, Track and Field (Varsity and Modified), Baseball (Varsity and Modified), Softball, Girls Flag Football, Crew (Varsity and Modified), Unified Basketball and Esports. The teams are practicing hard and looking forward to continuing their seasons after our spring break!

## ON DECK CIRQUE:

### \*\*ATHLETIC BANQUET\*\*

The 4th annual Athletic Banquet will be held on Tuesday June 3, at PHS where we will be celebrating the accomplishments of our student athletes. Tickets will be going on sale in May. They will be sold at the athletic office, three (3) tickets for \$10. Cash only. Stay tuned for more information.

### \*\*HUDL\*\*

Can't catch today's game? Check out our Hudl broadcast of our home games taking place in the gyms and athletic turf.

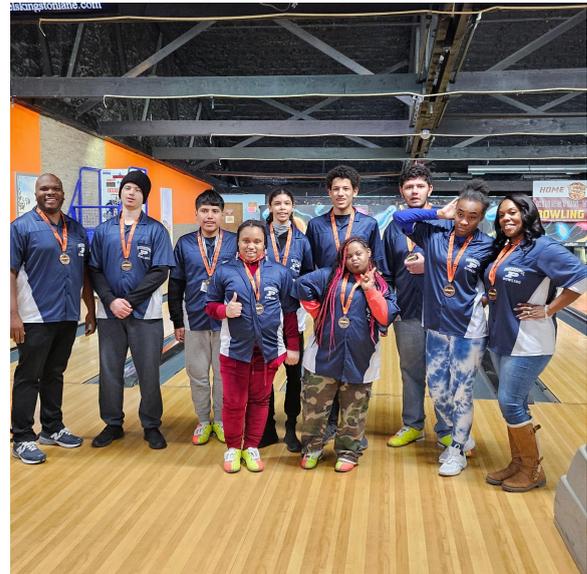

### \*\*WELLNESS COMMITTEE\*\*

Interested in joining the PCSD's Wellness Committee? This committee discusses a school environment that promotes health and well-being for staff, administration, students and families. We are taking in new members with the next meeting taking place on May 29th. If interested, please reach out to the Athletic Director Peter Bianco.

### \*\*BOOSTER CLUB\*\*

We are looking for volunteers to form an Athletic Booster Club to represent all PCSD sports teams. Support includes volunteering time, raising money, forming scholarships and providing appropriate resources to student-athletes. Please see our athletic website for more details.

**Unified Bowling Team**

The winter sports season might be over, but the enthusiasm of our Unified Bowling Team players is not! Under the direction of Coach Floyd and Coach Edmonds, the school district has been able to join the Dutchess County League for Unified Sports and provide our students with equipment, transportation and a seasonal schedule of meets culminating in a final tournament in Kingston. But the real excitement comes from the bonding between the coaches and their players - learning the sport, team camaraderie and meeting students from other schools. Coach Edmonds and Coach Floyd are giving their players the entire team sport experience. Next up - Unified Basketball!
