

Poughkeepsie City School District

Supporting Student Literacy Development

As part of the Poughkeepsie City School District work to support student literacy development, all PCSD students have access to 2 digital libraries to access thousands of grade, age, and developmentally appropriate books. Strong literacy skills allow students to seek out information, explore subjects in-depth and gain a deeper understanding of the world around them.

RENAISSANCE
myON® Reader

This is a resource provided by PCSD.
Teachers can provide log-in
information for students.
