

Poughkeepsie City School District

ALUMNI

Poughkeepsie City School District is committed to engaging alumni. PCSD aims to promote alumni networks across the district to foster pride, loyalty, and lifelong commitment to our schools and continued relationships among our graduates. We celebrate our alumni as part of the "Pioneer Family." We want to connect, organize, and support alumni in the work being done in our schools and in our community. PCSD needs YOUR voices, hands, and leadership to reach our goals.

Our online Pioneer Alumni Email Database will provide an opportunity for us to communicate with you. To sign up, please access the Alumni Registration Form under the Community tab on the District website.

Together, We are Champions for Children in Poughkeepsie City School District
